MEMORANDUM FOR: Project Director of Administration

SUBJECT : Procurement of Supplies Necessary for Project Documentation

1. It is requested that three (3) 4 x 5 film pack adaptors (for a Speed Graphic Camera) be supplied to this office along with one dozen (12) packs of film. These items are in urgent need by this office to aid in special documentation of personnel associated with this project.

2. If these adaptors are not available on seven-day supply, it is requested that they be purchased through commercial channels.

3. Also requested is an alphabet system and name board for putting the name of subject in a picture. This is urgently needed at Watertown, and if it would expedite them, this office will see to the delivery.
